

Database Project Phase 2

Submitted by: Benny Peake & Jonathan Leitschuh

Assumptions

We assumed that in Q7 you were asking for tours that had been booked in 2015 and 2016 not tours that took place durring thoes years.

Helpful Hints For Running our code.

If you run `set wrap off` in the SQL console before running our `.sql` file it will come out looking much cleaner than if you tried to run it without that flag.
